Manager's Message

Dear Members,

Summer is here and do we have great one planned for you here at the Club! From our 4th of July BBQ and our monthly Family Fun golf events to our weekly golf events, new dining features and wine dinners, there is something for just about everyone on the Club's calendar this summer!

I am excited to welcome our new Chef, Jared Sayers to the SSHCC team and look forward to the improvements he will be making to our dining experience. Most of all, I am looking forward to wine dinners and the creation of an upscale casual dining experience here at the Club. Make plans to join us for either the Prisoner Wine dinner on June 15th, the Italian wine dinner on August 17th or both! These events will be limited to 40 ppl so make plans today!

We have made a few changes to our F&B offerings that I would like to note:

- We are now open Wednesday evening for dining with Pasta Night and 50% off wine by the bottle. Dinner service is offered Wednesday – Saturday.
- Due to very little demand for early breakfast on the weekends, we have moved our service hours to Brunch from 9am-1pm. Early golfers can enjoy our new “2 handed tacos” at The Turn, and Chef will be debuting a revised Brunch menu for the Grille in the coming weeks.
- A new dining tradition, join us each Friday night for Steak Night! With more than just steak, enjoy a full salad bar, baked potato and your selection straight from the grill!

The old saying “Members vote with their feet” still rings true today! Make plans to join us for some events this summer and please let me know what you'd like to see planned here at the Club in the future!

See you at the Club,

Stephen Morris

GOLF NEWS

A Message from the Pros

Dear Members,

As the school year ends, there's no better place to spend your days than at the Club with family and friends. We have a variety of events planned for this summer and hope everyone is staying hydrated while playing and that the sunscreen is applied heavily.

The Pro Shop has recently purchased the Full Swing launch monitor. It is one of the world's most respected and recognized brand in sports history. This particular device is amazing at giving the player all the data needed to improve his/her game from how far each club is going to see the "gapping" between them, ball speed, swing speed, spin rate and of course SMASH FACTOR, etc. This monitor is also a useful tool for club fitting and one-on-one lessons with one of our professionals. Please call the Golf Shop if you would like to schedule a lesson or a club fitting.

South Shore Harbour has a policy in place that Members/Guests MUST pair up when using the club's carts. (we request that our Private Cart owners consider doing so as well!) Please note that if the Member refuses to pair up, he/she will be charged an additional cart fee. It is important to limit the cart traffic on the golf course, especially during the summer months. Any cart unnecessarily added to the course has a negative cumulative effect on the condition of the golf course. Before proceeding to the first tee, please help us protect and preserve our golf course and pair up.

We continue to see cart traffic in areas that are too close to greens and tees which causes damage and wear patterns. PLEASE keep the carts 30 yards from the greens and completely on the cart path through the tee boxes. Driving a few yards from the green is NOT allowed. Driving behind the green is NOT allowed. All Members and guests should adhere to the 90-Degree Rule. We strive to give all the Members the best golf course possible, and we need ALL Members to do their part and adhere to the cart rules.

We hope you enjoy this month's newsletter, and we encourage you to try something new at the Club this summer. We all look forward to seeing you and your family at the Club, and we wish all our Member's a safe summer! Stay cool because it's going to be HOT!!!

Fairways and Greens,

Kyle and Jeff

A Message from the Golf Course Superintendent

After a slow start to the grass growing season, we are now at full speed as Spring begins to give way to Summer. The maintenance team is busy trying to keep up with all the mowing between the afternoon showers we've been getting. We will be adding an additional fairway mower to the fleet soon which will give us much needed flexibility for getting that task done in a timely manner. When the course is dry enough, our rough mowers run 40+ hours each week. As you can see (and most of you already know), mowing consumes much of our time every day.

As time allows between routine maintenance practices and keeping up with mowing this spring and summer, we are planning to take on one project in particular: landscaping. Over the next few months, you will see our team changing/upgrading plant material around the comfort stations, in the planters around the clubhouse, and first tees on each course.

Be looking out for more detailed maintenance updates to be included with the weekly email blasts. The entire maintenance team thanks you for your support and we hope that we help make your round a bit more enjoyable each time.
