CLUB NEWS

Manager's Message

Dear Members,

Thank you!

For the patronage and support you have shown the Club and the staff throughout the year.

A big THANK YOU from all the staff for your generous support of the Holiday fund.

And a heartfelt thank you from myself for the support and patience you have extended to me throughout the process of improving the Club.

2023 certainly brought up many challenges! The drought and extreme heat took a toll on the property, our staff and our Members alike. While in these coming weeks you will see tree crews on property removing the near 150 pine trees that either succumbed to drought or Southern Pine Beetles, I am happy to say that everyone and everything else made it through! With the likeliness of this summer becoming the norm, one of our priority projects, as funds are available, will be the improvement of our greens irrigation with the installation of a dual head system. This will help us maintain the hydration of the greens without the unnecessary watering of surrounds and bunkers. I will hopefully have more details to share on this as things develop in the coming months!

With a calendar full of Holiday events, I hope to see many of our Members enjoying the Club with friends and family this season. From Breakfast with Santa to Christmas Cookie decorating and our monthly Family Nights, we have plenty of events to enjoy with your children and grandchildren. We are also hosting our NYE celebration again this year at the bargain price of only \$75 inclusive per person including open bar! To get this discounted rate you must make your RSVP before Christmas so don't delay! Would love to see an even bigger crowd of Members kicking off 2024 here at the Club.

I and the entire staff wish you and yours the best this Holiday season and look forward to serving you in the coming year.

See you at the Club,

Stephen Morris, General Manager

A Message from the Pro's

On behalf of the South Shore Harbour Country Club Golf Staff, We hope everyone had a great Thanksgiving and is looking forward to a wonderful Holiday Season! Due to your unwavering support, you helped make 2023 truly a success. The staff will continue to focus on Membership growth and retention as well as course and Club improvements. The golf course is in amazing shape going into the winter months. To maintain these conditions, please adhere to the 90-degree rule and pair up in carts with your fellow players. The course conditions are a great testament to the efforts of our hard-working maintenance staff. Their work does not go unnoticed and is greatly appreciated. Thanks again for your support of the Club and special thanks as well to all the new Members that have joined SSHCC in 2023. We wish all of you a happy and safe Holiday season!

Golf Course Maintenance

Dear Members,

It's that time of year again when the turf slows down, and your golf course maintenance team shifts gears to take on some of our much-needed projects. Over the winter months we will finish our tree limb up project that has been ongoing for the last few years. It will be nice to finally be back on a regular trimming program after this year. The holes left to limb up are South 8 & 9, Shore 4, 5 & 6. We will then start back over with normal trimming on Harbour 5 through 9. During this period, our team will also be attacking some of the cart path repairs around the course. We will focus on the worst areas first like South 2 by the pampas grasses, South 3 just past the green, and South 6 just before the green. These are not the only areas that are needed so we will try to be diligent and accomplish as much as we can. As a final note, I would like to thank everyone for their wonderful support for the golf course maintenance team. We want to wish you all a happy healthy holiday season and a fantastic new year.

Sincerely,

Richard Clark, Superintendent
South Shore Harbour Country Club
