CLUB NEWS

Manager's Message

Dear Members,

What a cold & soggy start to 2024! I know we are all looking forward to the longer days of Spring and some warmer/drier weather. The weather hasn't kept us from getting projects done though, from extensive tree trimming/removal around the course to much needed parking lot improvements, we have been working to improve for our Members.

As we prepare for the spring golf season, there are a few important initiatives and areas of focus that I and my leadership team will be working on. I feel they are all important to the Club and our Membership and would like to share them with you:

1. **Player Development Programs**- With an emphasis on beginning golfers of all ages, I want our Club to be recognized as the leader in our market, providing an active, robust and respected program.
2. **Programming for both competitive and "Fun" golf**- developing and hosting events and activities to involve all skill level of golfers, engaging the entire family.
3. **Course conditions/golf experience**- we will focus on the continued improvement of our golf course and golf experience, from conditions to service levels and including player etiquette and responsibility, an important part of the equation.
4. **Improved Member dining experience**- With the goal to become "Our Member's FIRST choice to dine and entertain" there are many areas to address. From service level to quality of product and selection, from dining traditions to special events, I am committed to the changes needed, moving us closer to this goal.

While there are many factors that are a part of the decision-making process involved with joining and continuing to support a Club such as ours, I feel that these areas deserve special and continued focus to ensure our Club has a healthy future and a growing Membership.

As you can see in this newsletter, we have a lot planned for our Members at the Club this Spring. From our traditional Holiday events to some great new family fun events, we have something for everyone!

As always, I thank you for your continued support and encourage you to reach out with any questions, comments or concerns.

See you at the Club,

Stephen Morris, General Manager

GOLF NEWS

A Message from the Pros

Dear Members,

We hope this letter finds everyone well and excited for the warmer weather to get here. The winter months were a little rough to say the least. The good news is that the cold is behind us, and we are seeing more Members out teeing it up! This spring, club manufacturers are launching NEW products, and we have a long list of exciting events that are happening throughout the year at the Club. We are striving towards great course conditions, fantastic customer service, and the strengthening of our golfing community. All of this would not be possible without your enthusiastic participation and support.

With the start of the new season, I want to remind everyone some of the course rules and policies. These rules and policies are important in maintaining and operating the Club we all enjoy!

- Proper golf attire is required for ALL golfers, this applies to the practice facilities and driving range as well.
- Sanding your divots is key to maintaining great course conditions.
- Please repair pitch marks on the greens.
- Slow play should be a concern for all Members and guests. It should take no longer than 4 hours to complete a round. The staff understands that it may take longer if it is cart path only. Please be aware of your pace of play.
- Facility carts and private carts should be kept at least 30 yards away from all greens/fringes. They should never be on or near the tee boxes.

We look forward to seeing everyone at the Club!

Jeff Waltzer, PGA

Kyle Free
